“The purpose of a tax cut is to leave more money where it belongs: in the hands of the working men and women who earned it in the first place.”

Senator Robert J. Dole
1923 - 2021

Dear Clients and Friends,

We are providing you with the latest IRS tax brackets, deductions and exemptions for 2022. This handy reference tool will assist you in planning and preparing for any income/expense changes you may experience during the year.

The tax legislation passed in 2021; The American Rescue Plan Act and The Consolidated Appropriations Act will have a varying tax impact on many Americans in 2022.

The information in our Tax Pocket Guide is intended as an initial tax planning tool. It will afford you a simple roadmap that will provide valuable insight into many of your financial considerations, obligations, and financial management. Knowing that early tax planning can result in more favorable tax outcomes, please contact us whenever you have a pressing question related to your financial future.

In addition, new tax legislation is frequently passed and we want to make certain that we share as much of it with you as possible.

Here's to a successful 2022!

Sincerely,
